

Don Elliott, President, 119 Motthaven Dr. Crossville, TN 38558

October 2024

Dear Shipmate:

On behalf of the Board of Directors and all the members of the USS Little Rock Association, I am hoping this message reaches you - to let you know we're thinking of you in the wake of the two recent devastating storms.

Please let us know how you are doing. We cannot imagine the challenges that you are facing as a consequence of hurricanes Helene and Milton.

We hold our shipmates as part of a forever family and so we reach out with our empathy and our prayers.

With good wishes and heartfelt compassion to you and yours.

Sincerely,

Donald H. Elliott
